AN ACT GRANTING THE SEAGULL MARINE COMMUNICATION NETWORK CORP. A FRANCHISE TO CONSTRUCT, INSTALL, ESTABLISH, OPERATE AND MAINTAIN PUBLIC RADIOTELEPHONE COASTAL STATIONS FOR THE TRANSMISSION AND RECEPTION OF RADIOTELEPHONE COMMUNICATIONS WITHIN AND OUTSIDE THE PHILIPPINES

*Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:*

SECTION 1. *Nature and Scope of Franchise.* — Subject to the provisions of the Constitution and applicable laws, rules and regulations, there is hereby granted to Seagull Marine Communication Network Corp., hereunder referred to as the grantee, its successors or assigns, a franchise to construct, install, establish, operate and maintain for commercial purposes and in the public interest, public radiotelephone coastal stations for the

transmission and reception of radiotelephone communications with vessels at sea within and outside the Philippines.

**SEC. 2. *Manner of Operation of Stations or Facilities.*** – The stations or facilities of the grantee shall be constructed and operated in a manner as will, at most, result only in the minimum interference on the wavelengths or frequencies of existing stations or other stations which may be established by law, without in any way diminishing its own right to use its selected wavelengths or frequencies and the quality of transmission or reception thereon as should maximize rendition of the grantee's services and/or the availability thereof.

**SEC. 3. *Authority of the National Telecommunications Commission (NTC).*** – The grantee shall secure from the NTC, hereinafter referred to as the Commission, a certificate of public convenience and necessity or the appropriate permits and licenses for the construction, installation and operation of its telecommunications systems/facilities. In issuing the certificate, the Commission shall have the power to impose such conditions relative to the construction, operation, maintenance or service level of the telecommunications system. The Commission shall have the authority to regulate the construction and operation of its telecommunications systems. The grantee shall not use any frequency in the radio spectrum without having been authorized by the Commission. Such certificate shall state the areas covered and the date the grantee shall commence the service. The Commission, however, shall not unreasonably withhold or delay the grant of any such authority, permits or licenses.

**SEC. 4. *Responsibility to the Public.*** – The grantee shall conform to the ethics of honest enterprise and shall not use its stations/facilities for obscene or indecent transmission or for dissemination of deliberately false information or willful misrepresentation, or assist in subversive or treasonable acts.

The grantee shall operate and maintain all its stations, lines, cables, systems and equipment for the transmission and reception of messages, signals and pulses in a satisfactory manner at all times, and as far as economical and practicable, modify, improve

or change such stations, lines, cables, systems and equipment to keep abreast with the advances in science and technology.

**SEC. 5. Rates for Services.** – The charges and rates for telecommunications services of the grantee, except the rates and charges on those that may hereafter be declared or considered as nonregulated services, whether flat rates or measured rates or variation thereof, shall be subject to the approval of the Commission or its legal successors. The rates to be charged by the grantee shall be unbundled, separable and distinct among the services offered and shall be determined in such a manner that regulated services do not subsidize the unregulated ones.

**SEC. 6. Right of Government.** – A special right is hereby reserved to the President of the Philippines, in times of war, rebellion, public peril, calamity, emergency, disaster or disturbance of peace and order, to temporarily take over and operate the stations, transmitters, facilities or equipment of the grantee, to temporarily suspend the operation of any station, transmitter, facility or equipment in the interest of public safety, security and public welfare, or to authorize the temporary use and operation thereof by any agency of the government, upon due compensation to the grantee for the use of said stations, transmitters, facilities or equipment during the period when they shall be so operated.

The radio spectrum is a finite resource that is a part of the national patrimony and the use thereof is a privilege conferred upon the grantee by the State and may be withdrawn anytime, after due process.

**SEC. 7. Term of Franchise.** – This franchise shall be for a term of twenty-five (25) years from the date of effectivity of this Act, unless sooner revoked or cancelled. **SEC. 8. Acceptance and Compliance.** – Acceptance of this franchise shall be given in writing within sixty (60) days from the effectivity of this Act. Upon giving such acceptance, the grantee shall exercise the privileges granted under this Act. Nonacceptance shall render the franchise void.

**SEC. 9. Bond.** – The grantee shall file a bond issued in favor of the NTC, which shall determine the amount, to guarantee the compliance with and fulfillment of the conditions under which this franchise is granted. If after five (5) years from the date of the approval of its permit by the Commission, the grantee shall have fulfilled the same, the bond shall be cancelled by the Commission. Otherwise, the bond shall be forfeited in favor of the government and the franchise *ipso facto* revoked.

**SEC. 10. Tax Provisions.** – The grantee, its successors or assigns, shall be subject to the payment of all taxes, duties, fees or charges and other impositions under the National Internal Revenue Code of 1997, as amended, and other applicable laws: *Provided*, That nothing herein shall be construed as repealing any specific tax exemptions, incentives or privileges granted under any relevant law: *Provided, further*, That all rights, privileges, benefits and exemptions accorded to existing and future telecommunications franchises shall likewise be extended to the grantee.

The grantee shall file the return with the city or province where its facility is located and pay the income tax due thereon to the Commissioner of Internal Revenue or his duly authorized representatives in accordance with the National Internal Revenue Code and the return shall be subject to audit by the Bureau of Internal Revenue.

**SEC. 13. *Warranty in Favor of National and Local Governments.*** – The grantee shall hold the national, provincial, city and municipal governments of the Philippines harmless from all claims, accounts, demands or actions arising out of accidents or injuries, whether to property or to persons, caused by the construction or operation of the stations, transmitters, facilities and equipment of the grantee.

**SEC. 14. *Sale, Lease, Transfer, Usufruct, Etc.*** – The grantee shall not lease, transfer, grant the usufruct of, sell nor assign this franchise or the rights and privileges acquired thereunder to any person, firm, company, corporation or other commercial or legal entity, nor merge with any other corporation or entity, nor shall the controlling interest of the grantee be transferred, whether as a whole or in parts and whether simultaneously or contemporaneously, to any such person, firm, company, corporation or entity without the prior approval of the Congress of the Philippines. Any person or entity to which this franchise is sold, transferred or assigned shall be subject to the same conditions, terms, restrictions and limitations of this Act.

Philippines within five (5) years from the commencement of its operations. Noncompliance therewith shall render the franchise *ipso facto* revoked.

**SEC. 16. *Equality Clause.*** – Any advantage, favor, privilege, exemption or immunity granted under existing franchises, or may hereafter be granted, shall *ipso facto* become part of previously granted telecommunications franchises and shall be accorded immediately and unconditionally to the grantees of such franchises: *Provided, however,* That the foregoing shall neither apply to nor affect provisions of telecommunications franchises concerning territory covered by the franchise, the life span of the franchise, or the type of service authorized by the franchise.

**SEC. 18. *Repealability and Nonexclusivity Clause.*** – This franchise shall be subject to amendment, alteration or repeal by the Congress of the Philippines when the public interest so requires and shall not be interpreted as an exclusive grant of the privileges herein provided for.

**SEC. 19. *Reportorial Requirement.*** – The grantee shall submit an annual report to the Congress of the Philippines on its compliance with the terms and conditions of its franchise and on its operations within sixty (60) days from the end of every year.

**SEC. 20. *Effectivity Clause.*** – This Act shall take effect fifteen (15) days from the date of its publication, upon the initiative of the grantee, in at least two (2) newspapers of general circulation in the Philippines.
