**SEC. 5. Right of the Government.** — The radio spectrum is a finite resource that is part of the national patrimony, and the use thereof is a privilege conferred upon the grantee by the State that may be withdrawn any time after due process.

A special right is hereby reserved to the President of the Philippines, in times of war, rebellion, public peril, calamity, emergency, disaster, or disturbance of peace and order, to temporarily take over and operate the stations or facilities of the grantee; to temporarily suspend the operation of any station or facility in the interest of public safety, security and public welfare; or to authorize the temporary use and operation thereof by any agency of the government, upon due compensation to the grantee, for the use of said stations or facilities during the period when these shall be so operated.

The annual report shall include an update on the roll-out, development, operation and/or expansion of business; audited financial statements; and certification of the NTC on the status of its permits and operations.

The reportorial compliance certificate issued by Congress shall be required before any application for permit or certificate is accepted by the NTC.

**SEC. 14. Fine.** – The failure of the grantee to submit the requisite annual report to Congress shall be penalized by a fine of Five hundred pesos (P500.00) per working day of noncompliance.
