"A municipality or a cluster of barangays with a locally generated average annual income, as certified by the Department of Finance, of at least Four hundred million pesos (P400,000,000.00) for the last two (2) consecutive years based on 2012 constant prices may also be converted into a component city if it has either a population of not less than one hundred thousand (100,000) inhabitants as certified by the PSA or a contiguous territory of at least one hundred (100) square kilometers, as certified by the Land Management Bureau: Provided, That three (3) years after the effectivity of this Act and every three (3) years thereafter, the threshold amount of Four hundred million pesos (P400,000,000.00) shall be increased by five percent (5%).
